“Nice Girls Don’t ...”

BY DR. LOIS FRANKEL

Acting like the nice little girl you were taught to be in childhood won't help you achieve your professional, financial and personal goals. Come hear Dr. Frankel as she shares with you the secrets on how you can get ahead.

- Learn the rules of playing and succeeding in a man's world
- Why "being nice" is not sufficient in getting you "there"
- How to become an effective leader
- How financial thinking can change your life
- How to set goals, act assertively and take action

Dr. Frankel is the author of 3 international best sellers, "Nice Girls Don't Get the Corner Office", "Nice Girls Don't Get Rich" and her latest book "See Jane Lead." She has been featured on the Today Show, CNN, NBC, The NY Times, USA Today, Time and People Magazines.
